Scotland Soccer Tour 2010

In partnership with The St. Andrews Training Camp

“We played professional teams, trained beside Barcelona and our Dad’s played the Old Course. AMsportstours can arrange anything in Scotland!”

Overview

The Scotland Soccer Tour is based at the St. Andrews Training Camp in Fife, Scotland. St. Andrews is a beautiful town on the east coast of Scotland where FC Barcelona have held their training camp in 2008 & 2009. Such is St. Andrews' reputation as a beautiful and safe town to live in future king Prince William attended University there and St. Andrews is also the home of golf and the famous Old Course Golf Course. All in all it provides the perfect setting for a soccer tour whether the team is a youth team, college team or professional team preparing for the forthcoming season. We are proud that St. Andrews is our home.

Players receive professional coaching and Q&A from UEFA licence coaches and former international players Danny Lennon (Northern Ireland & Hibs) and Paul Ritchie (Scotland & Man City) at the St. Andrews training camp

Not only did Charlotte United share the St. Andrews Training Camp with FC Barcelona, but AMsportstours secured the group front row seats to see Henry and Messi in action.

Bobby Paterson presents Charlotte United player Jordan Williams with the MVP trophy after their game against Cowdenbeath at the St. Andrews Training Camp.

Scotland

Although we are based at the St. Andrews training camp we also offer the group much more than just soccer. Evening entertainment is organised and parents and coaches mix with the locals and experience nightlife in the vibrant town of St. Andrews. Many are amazed by the beauty of St. Andrews, and for a place completely accessible by foot, the amount it has to offer. St. Andrews not only hosts the most famous golf course in the world, but two 5-star spas, 2 beaches, a harbour, castle, cathedral and an abundance of shops, restaurants and small Scottish pubs. We also have guaranteed tee-times at the world famous Old Course and match tickets for all Premiership soccer games.

Dad's golf at the famous Old Course, Mum's enjoy an afternoon refreshment at the Glass House on North Street and the players enjoy a morning training session at professional football club Cowdenbeath.

Live Football

We have contacts with all Scottish professionals clubs allowing us access to tickets for all big games whether pre-season games when Spanish giants Barcelona visit Scotland or the big Rangers v. Celtic local derby.

Other AMsportstours features

We also organise a stadium tour of Celtic or Rangers Football Club and days sightseeing and shopping in Edinburgh and Glasgow. For the parents and coaches a day at local whisky distilleries can be arranged and we can also put on a Scottish evening. Our contacts are extensive and we have organised everything from Old Course tee-times to signing sessions with Lionel Messi of Barcelona and Argentina.

We can arrange for you to watch live Premiership football, visit Scotland's capital Edinburgh, attend a signing session with the Barcelona stars training at your training camp and compete with team of a similar standard to yours on the international stage.

Testimonials:

"Austin MacPhee and AMsportstours have a passion for the game of football. Austin, with his depth of knowledge from playing and coaching football, lined up a nice blend of football games against Scottish clubs for my two sons' Charlotte United Futbol Club team, a great selection of professional football games to watch, stadium tours and training sessions, while leaving enough time to see the sights in St. Andrews, Edinburgh and other areas. This is the trip that both my boys and I enjoyed tremendously and if your family or team is interested in a soccer trip to Scotland , then I would highly recommend AMsportstours soccer tours. "
